INFORMATION ABOUT OUR INVESTMENT & PENSION SERVICES

We offer a range of services to help you meet your investment and retirement objectives. We provide independent which means that our recommendations to you will be based on the following selection criteria:

1. We will determine which, if any, of the following types of investment or pension products are capable of meeting your needs, along with any associated 'tax wrappers' available (e.g. an ISA):
 - Open Ended Investment Company Funds (OEICs) including Exchange Traded Funds (ETFs), Unit Trusts and Investment Trusts;

2. We will then consider a broad range of different providers of these products from a fully researched panel that is representative of the whole of the market available to financial advisers and which we review on a regular basis using factors such as the risks, costs, complexity and their competitiveness in the market place.

Related Service Providers

Subject to your individual needs and objectives, we may also recommend that you hold and trade your investments and/or pensions in one place via a Platform Service. We may also recommend that some or all of your investments and/or pensions are managed by a Discretionary Investment Management Service (DIMS).

We will consider a broad range of these service providers from a fully researched panel that is representative of the whole of the market and which is also reviewed on a regular basis as described above.

We may recommend investments in the IFSL Sinfonia Open Ended Investment Company (OEIC). This investment company has been jointly developed between BNP Paribas and Sinfonia Asset Management Limited, a subsidiary of Tenet Group Limited. We may also recommend that you hold and trade your investments via Tenet Platform Solutions Limited, a subsidiary of Tenet Group Limited.

We may recommend products or services related to your investment and pension needs which are not regulated by the Financial Conduct Authority. For example, cash deposits, National Savings & Investment Products (NS & I), or Inheritance Tax Planning (IHT).

A description of our initial and ongoing services, their associated costs and payment terms, is provided below.

What can you expect to pay for our investment and pension advice?

The amount we charge and the basis of the payment will depend on the service you choose and your individual circumstances.

It is possible that other costs, including taxes related to the business we conduct and products we arrange for you, may arise. These costs will not be paid by our firm but borne by you.

Our typical fees for advice and arranging an investment or pension on your behalf are set out below. Where hourly rates are stated, these are the actual hourly rates that will apply. This meeting can take place at our offices or we would be happy to meet you at your business or home address. Or if you prefer we can have an initial telephone conversation or skype meeting if this is more convenient.

On-Going Advice and Review Services

Our ongoing services are designed to suit individual client circumstances and pension and investment needs. This will undoubtedly vary depending on individual client requirements and we seek to match these wherever possible. Once you have purchased our on-going service package you may cancel it at any time, without charge, by writing to us at the above address.

We also recognise that an on-going service package is not suitable for everyone and that some of our clients would simply like to use our services when they need them. For this purpose, we are also happy to undertake future 'ad-hoc' or one off reviews of an investment and/or pension portfolio we arranged on your behalf.

Our typical fees for advice and arranging investments on your behalf are set out in the table below. There is an additional charge for any ongoing work, such as periodic or ongoing reviews, we carry out on your behalf. We will confirm the rate, frequency, and length of this ongoing service before beginning any ongoing servicing work for you. You can cancel our ongoing services at any time.

On-going Service Description	Service Fees
<p>Our services can include:</p> <ul style="list-style-type: none"> • Review meetings at an agreed frequency but at least once every 12 months • Statements on performance of investments usually quarterly • Cashflow analysis and reports updated annually • Newsletters including property and economic reviews usually issued monthly • Online access to pension and investment valuations • Access to your adviser should you need us in the meantime 	<p>Our service is available for 0.75% of the value of your portfolio per year and is charged on a monthly basis at the rate of 1/12th of 0.75% per month.</p> <p>For example: If your portfolio was worth an average of £50,000 over a 12 month period, the average monthly charge would be £375/12 = £31.25 per month.</p> <p>If your portfolio was worth an average of £100,000 over a 12 month period, the average monthly charge would be £750/12 = £62.50 per month.</p> <p>Please note: The exact amount we charge each month will depend on the value of your investment and will increase if the value of your portfolio goes up.</p>

Ad-Hoc or One-Off Review Service

This service is typically suitable for those who don't want to pay for regular reviews by their adviser and prefer to monitor things themselves. Upon request, we are happy to offer one off or 'ad-hoc' reviews of an investment/pension we set up for you should the need arise.

The cost of this service will vary depending on the complexity of the work and how long it takes to complete. Our adviser charge for this service is **£150 per hour (exc. VAT)**.

A typical review will include:

- **Updating the information we already hold about you**
- **Re-confirming your objectives and risk profile**
- **Providing you with recommendations regarding the on-going suitability of your portfolio, and;**
- **Subject to your agreement, implementing any adjustments to your portfolio we recommend e.g. fund switches.**

Example cost:

For a portfolio containing two separate arrangements (for example a personal pension and an ISA) we would expect a typical review to take approximately three to four hours calculated in 15 minute intervals.

For example, if it took us three and a half hours to complete a review, our fee would be **£525 (exc VAT)**.

What are your payment options?

- We accept direct payment by cheque or bank transfer.
- We do not accept cash or credit cards.
- We will tell you if it is possible to settle our fees through a deduction from your investment/pension.
- For new investments and pension plans funded by regular contributions only (e.g. monthly by direct debit), you can choose to pay our fees by instalments.
- We will allow you to settle our fee in up to 12 months
- If you choose this option we will not provide you with any further services until all the instalments have been paid in full.
- If you choose to pay instalments as a deduction from your investment/pension, although you pay us nothing up front this does not mean our service is free. You are still paying us indirectly through deductions from the amount you pay into the product.
- These deductions will go towards settling our fee and will reduce the amount left for investment. An example of how this payment plan works in practice is set out below.

Example 1 **

You decide to proceed with a recommendation to invest £300 per month into a suitable product. As stated above our typical charge for providing you with this service would be equivalent to 20% of the first year premium i.e. £720 (exc. VAT). You may settle your adviser charge in 4 equal monthly instalments deducted from your first 4 monthly payments, with the balance being available for investment, as follows:

	Your payment	Adviser Charge	Investment amount
Month 1	£300	£180	£120
Month 2	£300	£180	£120
Month 3	£300	£180	£120
Month 4	£300	£180	£120
Month 5+	£300	N/A	£300

Example 2 **

You decide to proceed with a recommendation to invest £100 per month into a suitable product. As stated above our typical charge for providing you with this service would be equivalent to 25% of the first year premium i.e. £300 (exc. VAT). You may settle your adviser charge in 4 equal monthly instalments deducted from your first 4 monthly payments, with the balance being available for investment, as follows:

	Your payment	Adviser Charge	Investment amount
Month 1	£100	£75	£25
Month 2	£100	£75	£25
Month 3	£100	£75	£25
Month 4	£100	£75	£25
Month 5+	£100	N/A	£100

- You can choose to pay your adviser charge through instalments collected from your bank account by standing order. For example an Adviser Charge of £720 paid over four months would mean four instalments of £180 will be collected from your bank account. Standing Orders are normally collected on or around the 15th day of the month. This is broken down as in Example 1 above.
- Please note that if you cancel your investment or pension product before our fee is settled in full, including cancellation during a statutory cooling off period, you will need to make alternative arrangements to pay our fee.

Other benefits we may receive

If we take over the servicing rights of your existing arrangements that were arranged by another firm, we may be entitled to receive an on-going payment as a result. This is commonly referred to as 'trail commission'. Where this is the case we will offset the amounts received against our on-going service fees. For example, if our on-going service fee is £500 and we receive £200 trail commission from existing arrangements retained as part of your portfolio, the net fee due to us would be £300 (exc. VAT).

Some of the firms whose products we recommend provide us with access to training and software which allows us to offer you a better service. Some of the costs of these benefits may be passed onto you as part of the total charges you pay, should you choose to purchase a product from one of these firms. Further information regarding these arrangements is available on request.

We are not otherwise permitted to receive or retain any financial inducements, significant gifts or hospitality from investment product providers, for arranging investments.

Other Specialist Services

As part of the TenetConnect Services Limited Network of Financial Advisers we have access to support services and specialist expertise you would normally expect from a large organisation. Where it is in your best interest we may offer to refer you to another firm within the same Network.

With your permission, the other firm may carry out research on our behalf or alternatively advise you directly. The total cost of this service, including our fees for any preparatory work the other firm relies on, will be no higher than our standard tariff of fees and charges stated above.
